

**Godelieve Coymans, MSc - Managing Director at Proaxxes**

Godelieve Coymans was born in Rosmalen, The Netherlands, in 1955. She has lived and worked in Florence, Italy, since 1997. Before arriving in Tuscany, she developed, in her native country, solid experience in the export field for both Italian and Dutch small to medium enterprises, first at the Amsterdam office of the Italian Institute for Foreign Trade, and then as a commercial consultant, both in The Netherlands and in Italy.

In Italy she set up the company Proaxxes in 2008, conducting business development and country management for foreign companies on the Italian market, most of all in sectors of advanced technology, with a Circular Economy prospective: Waste-to-Energy and Oil & Gas, Water Technology, Building and Architecture, Agri & Food Tech, Green Logistics.
